

Deep South Dressage and Combined Training Association

2020-2021 Year End Awards

Updated 10/25/2021

Things to keep in mind when checking scores

- 1) Online scores are not counted towards the GMO's awards program
- 2) The median score is used to calculate scores.
- 3) Scores from second level and below must have 4 scores from 2 different shows and 2 different judges and 1 scores must be from the highest test of the level. Scores from third level and above need 3 scores and can be any test at that level.
- 4) Horse/Riders pairs who have won prior years are ineligible to win at the same level
