

DSDCTA 2025 Scores

12/9/2025

Scores earned October 1, 2024 through September 30, 2025

The lower score(s) will be dropped after the member has met the minimum number of score requirements at a given level. All awards will be based on the MEDIAN score. The median score is the score exactly between the highest and the lowest scores. When there is an odd number of eligible scores, the median is the middle score. When there is an even number of scores, the median is the average of the two middle scores. Scores earned at Recognized Shows with a United States Equestrian Federation licensed judge will be eligible for Recognized Year End Awards. Scores earned at Schooling Shows with USDF “L” Graduate, or higher, judging will be eligible for Schooling Show Year End Awards.

Dressage Awards (Classical and Western)

Scores must be earned at a minimum of two (2) Shows, with two (2) DIFFERENT Judges. A Minimum of FOUR (4) Scores are needed for Second (2nd) Level and BELOW. A minimum of Three (3) Scores are needed at Third (3rd) Level and ABOVE and for the FEI Young Horse Division. To be eligible for awards at Introductory through Second Level, one (1) score must be earned at the HIGHEST LEVEL test for that level. To be eligible for awards at Third Level and higher, scores can be earned from ANY test in that level.

Combined Training Awards (Horse Trials & Combined Training)

Awards shall be offered in two (2) different categories; Horse Trials (Three Phase) and Combined Tests (Two Phase). Three (3) Scores minimum required in Pre-Amoeba through Preliminary Divisions.

Two (2) Scores are required for the Intermediate and Advanced Divisions.

HORSE TRIALS: (a Three Phase contest consisting of Dressage, XC, and Show Jumping).

COMBINED TESTS: (a Two Phase contest consisting of Dressage and either one of the following: Cross Country OR Show Jumping OR the “Derby Format” of the second phase, which may consist of both cross country and stadium jumps in one phase)
